

Information we want on Staff table page

- First Name (string)
- Last Name (string)
- Job Title (string) official Hr position
- Role (string) what does this person do
- Lab assigned to (string)
- Communities (Boolean)
 - FWS(federal works study)
 - Mesa
 - Umoja
 - Puente
 - Veteran
- Email (string)
- Telephone number (int or string)
- CWID

Information Stem Clubs Page

- Club Name (string)
- President (string)
- Advisor (string)
- Meeting times (string)
- Location (string or int)
- Description (string)
- Discord link/website (string)

Lab Equipment

- List of items in Lab
 - Resource name(string): Resource description(string)

Lab Projects

- Name (string)
- Brief description (string)
- Principle investigator/lead engineer (string)
- Advisor (string)
- Events (boolean)
 - RSLs
 - Berkley symposium
 - Google case comp
 - Foothill innovation challenge

Lab Signups

- Daily report of people coming in :
 - time signed in: (string)
 - time signed out (string)
 - Last name (string)
 - First name (string)
 - Lab (string)

- CWID (int)

Lab Metrics on demand

- Simplified view of all the other pages and statistics.
